Your travel will be arranged in consultation with you and in accordance with USIEF regulations. You will fly on airlines covered under the Fly America Act or by Air India. For your travel arrangements, please get in touch with Dr. I. Jaya Bharati, Program Coordinator, Indian Program, USIEF, New Delhi at jaya@usief.org.in. Her telephone number is (011) 4209 0946.

If you are on an eight to twenty-four months grant, subject to availability of funds, a dependent allowance of \$200 and international travel may be provided for one accompanying eligible dependent provided the dependent is with you in the U.S. for at least 80% of the grant period.

If you are employed, the fellowship has been awarded to you on the assumption that you will be given leave by your employer for your research/teaching/professional development in the U.S. This should be confirmed officially to us as soon as possible. Since funds in this program are extremely limited, no extensions are possible.

CIES, the coordinating agency in the United States, has been designated by the FSB and the U.S. Department of State to arrange, verify and supervise the professional programs of foreign scholars visiting the United States to conduct advanced research under the Fulbright-Nehru program.

You should feel free to communicate with USIEF and CIES concerning any problems that may arise during your stay in the U.S. Please contact **Dr. Sudarsan Dash**, Senior Program Officer, Indian Program, USIEF-New Delhi at sudarsan@usief.org.in and **Dr. I. Jaya Bharati**, Program Coordinator, Indian Program, USIEF-New Delhi at jaya@usief.org.in. The Regional Portfolio Officer for Fulbright Visiting Scholar Program at IIE is **Ms. Meaghan Wallace** MWallace@iie.org. All matters relating to international travel, except in the case of emergency, should be taken up directly with USIEF in India at least two months before your departure from the U.S. It is understood that you will return to India as soon as your program in the U.S. is over.

USIEF will disburse your monthly stipend and applicable allowances, unless otherwise specified, through wire transfer to your U.S. bank account. Please provide to USIEF the required U.S. bank information on the prescribed format immediately after opening your U.S. account.

USIEF expects you to remain in touch with USIEF and CIES during the course of your grant. You will have to submit a **mid-term report**, half way through the grant period, to USIEF. In addition, you are required to submit **two** reports on your U.S. experience and impressions—one to CIES at the end of your stay before leaving the U.S. and the second to USIEF after your return. The forms for these will be given to you at the appropriate time.

Since all awards under the Fulbright-Nehru Program involve full or partial U.S. Government financing, visiting scholars are subject to the two-year home residence requirement associated with the J-1 visa. This means that you are not eligible to apply for status in the U.S. as permanent resident, H temporary worker/trainee, or L intra-company transferee until you have resided and been physically present in India for at least two years following your departure from the United States.

www.usief.org.in

It has been a pleasure to participate in the awarding of this grant. We trust that you will have a profitable period of stay in the U.S. and we offer to you our congratulations upon the award of this grant.

Yours sincerely,

Adam J. Grotzky
Executive Director
